

AUNT MARY'S HOUSE

AMH Newsletter

MARCH 2024

A Message from Brenda White

I am so excited for the upcoming brunch at Miles of Love on May 11. Hopefully, you had a chance to see our poster in the Norwich city center (pictured right). As we get ready to sell tickets, I hope you will consider purchasing some for yourself, a loved one, or help us promote this opportunity to come together as a community for our cause.

I worked with Pastor Nancy Krembs at First Baptist Church in Norwich, after my presentation I passed out baby bottles that the congregation have returned with \$435.99. I also met with Neisa at Chenango County Public Health to discuss our programs in hopes for partnership. I tabled the non-profit showcase at our local SUNY Morrisville Campus and received 8-newsletter signups. I continue to share our mission in pursuit of collaboration with organizations like Family Connections, Norwich Rotary Club, the Lutheran Church, and The Place.

Residential Update

The HVAC system was replaced, and renovations continue with siding planned for Spring. The water meter was also replaced.

Friends of Aunt Mary's House

Support from our friends continues to warm our hearts and fuel our passion for this project. Thank you for your support:

- Benevity, \$300
- Dr. Karen Banks, \$5,000
- City Church, \$100 monthly
- CV Free Church, \$200 monthly
- Raymonds, \$250
- The Missionettes, \$500
- Online donations, \$100
- Baby bottles from North Broad St United Methodist Church

Your support continues to warm our hearts and we remain incredibly thankful for this community.
